Agenda Item 4: Presentation by Ms. Ingvild Gulbrandsen, Project Leader, SAI Norway on Project 2.2 of Strategic Development Plan (SDP) of INTOSAI Framework for Professional Pronouncement (IFPP) on ‘Provide Guidance on Compliance Audit’

Ms. Ingvild Gulbrandsen, Project Leader, SAI Norway made a detailed presentation on the progress of Project 2.2 of Strategic Development Plan (SDP) of INTOSAI Framework for
Professional Pronouncement (IFPP) on ‘Provide Guidance on Compliance Audit’ The presentation is attached.

Detailed deliberations were held on the exposure draft on ‘Guidance on authorities to be considered while examining regularity and propriety aspects in compliance audit’. CAS members offered valuable comments and suggestions for the development of exposure draft. During the meeting members decided that there is a need to define the propriety criteria in the present exposure draft and the present exposure draft needs to be revised. Therefore CAS would adopt the following further procedure:

- The exposure draft already circulated requires further changes and the changes will be made by the project team after getting examples from CAS members for the propriety audit practices being followed in their respective SAIs (whether in the form of compliance audit, performance audit or a regularity audit).
- Portion related to mandate of SAIs to carry out propriety audit has to be included in introductory part of the exposure drafts.
- The revised exposure draft would be submitted to FIPP by 12 November 2018 for consideration in their next meeting to be held in November 2018.
- Project team would send a proposal whether the present milestones for exposure period endorsement version and final pronouncement will require changes and what would be the new timeline.
