

Technical Support Function

MAIN DUTIES

Proposals for new / revised / or withdrawing pronouncements

- Conduct research and technical analyses to support the approval of project proposals or exposure drafts;
- Organise comments on the exposure phase for draft pronouncements, including making an initial evaluation whether comments were analysed appropriately by the working group to support the approval of the endorsement version;
- Manage the process on the ISSAI website; and
- Provide language and consistency revision to drafts produced in English.

Communication and dissemination of information

- Manage communications and communication tools, such as websites, newsletters and community fora.

The INTOSAI's Strategic Development Plan (SDP)

- Provide technical support on the formulation of proposals for the SDP, and
- Provide technical support in processes relating to the approval and revision of the SDP.

Plus any other tasks as required, including attendance and presentations at stakeholder meetings
