Practical information

- Rigsrevisionen is unfortunately not in a position to provide transportation to and from the airport, but the Copenhagen Metro or a cab will take you to central Copenhagen in 15 minutes – 20 minutes.
- A member of Rigsrevisionen's staff will pick you up and escort you from Hotel Phoenix to Rigsrevisionen on both meeting days.
- Dress code for the dinner in Tivoli is informal. Please note that Rigsrevisionen is not providing transportation from Tivoli and back to the hotel after the dinner Thursday evening.
- Weather-wise you should be prepared for a little bit of everything. The weather in May is rather unpredictable in Denmark with temperatures ranging from 15 to 25 degrees centigrade.
- If you require urgent assistance during your stay, please call Mette E. Matthiasen at phone no. +45 40 70 04 68
