The INTOSAI Framework of Professional Pronouncements

INTOSAI pronouncements foster credibility and relevance of public audit by setting internationally recognized professional principles and standards that promote excellence in the application of methodology, and support the effective functioning of Supreme Audit Institutions in the public interest.

ISSAI 100
Fundamental Principles of Public-Sector Auditing

INTOSAI Standards are issued by the International Organization of Supreme Audit Institutions, INTOSAI, as part of the INTOSAI Framework of Professional Pronouncements. For more information visit: www.intosai.org
