PSC Steering Committee Meeting

Dear colleagues,

As you may have heard I am about to take up a new position as the Danish member of the European Court of Auditors and will therefore step down as auditor general of Rigsrevisionen and chairman of the PSC. Inviting you to this year's PSC Steering Committee meeting will therefore be my last act as chairman.

Mr Terence Nombembe, Auditor General of South Africa has very generously offered to host this 9th meeting of the Steering Committee which will take place on 30 May and 31 May in South Africa.

Attached to this invitation, please find a preliminary draft agenda. Information on the venue and hotel will be forwarded to you shortly. All other information and material relevant to the Steering Committee meeting will be forwarded directly to you, but will also - for your convenience and easy access – be posted on the PSC website: www.psc-intosai.org.

If you have any questions in relation to the meeting, please contact Ms Mette E. Matthiasen in the PSC Secretariat (mem@rigsrevisionen.dk).

In the vacuum between my departure on 1 March and the appointment of a new auditor general, Ms Bettina Jakobsen, assistant auditor general, has very kindly offered to fill in for me and lead the meeting in South Africa, which I am confident that she will do in her usual competent manner.

I would like to take this opportunity to thank you all for your professional commitment and contributions to the work of the PSC and for the many interesting, enlightening and enjoyable hours that I have spent in your company in the past years. I shall miss you all!

With the best wishes for the continued success of the PSC and a successful meeting in Johannesburg.

Sincerely yours,

Henrik Otbo
