

# INTOSAI Strategic Plan 2023–2028

## Exposure Draft

# Priorities for drafting the plan

## Conciseness and enhanced readability

- ❖ Distinction between strategic- and process-related content
- ❖ Succinct, separate “Who we are”, “What we do” and “What is a SAI” sections
- ❖ Mission and vision with a focus on benefits to SAIs and society

# INTOSAI Mission

Support SAIs in contributing effectively to public sector accountability, promoting good governance, and fostering the economy, effectiveness and efficiency of government programs

## Benefits to SAI

### High-quality SAI Work

Independent, relevant, evidence-based audits and other products

### Mutual Support

An effective forum for sharing knowledge and developing auditing standards and guidance

### Capacity & Resilience

SAIs better able to adapt to change and respond to emergencies

### Independent SAIs

SAIs with legal mandates and protection from interference by executive bodies

### Equality & Inclusion

Equal opportunities within INTOSAI and inclusive policies, practices and audits within SAIs

### Global Voice

A respected global voice representing SAIs on public audit and increased dialogue with strategic partners

### Sustainable Development Goals

Coordinated efforts to support the achievement of the UN's 2030 Agenda for Sustainable Development

### Good Governance

Effective management of INTOSAI activities and resources to maximize INTOSAI value for the benefit of SAIs

## Benefits to Society

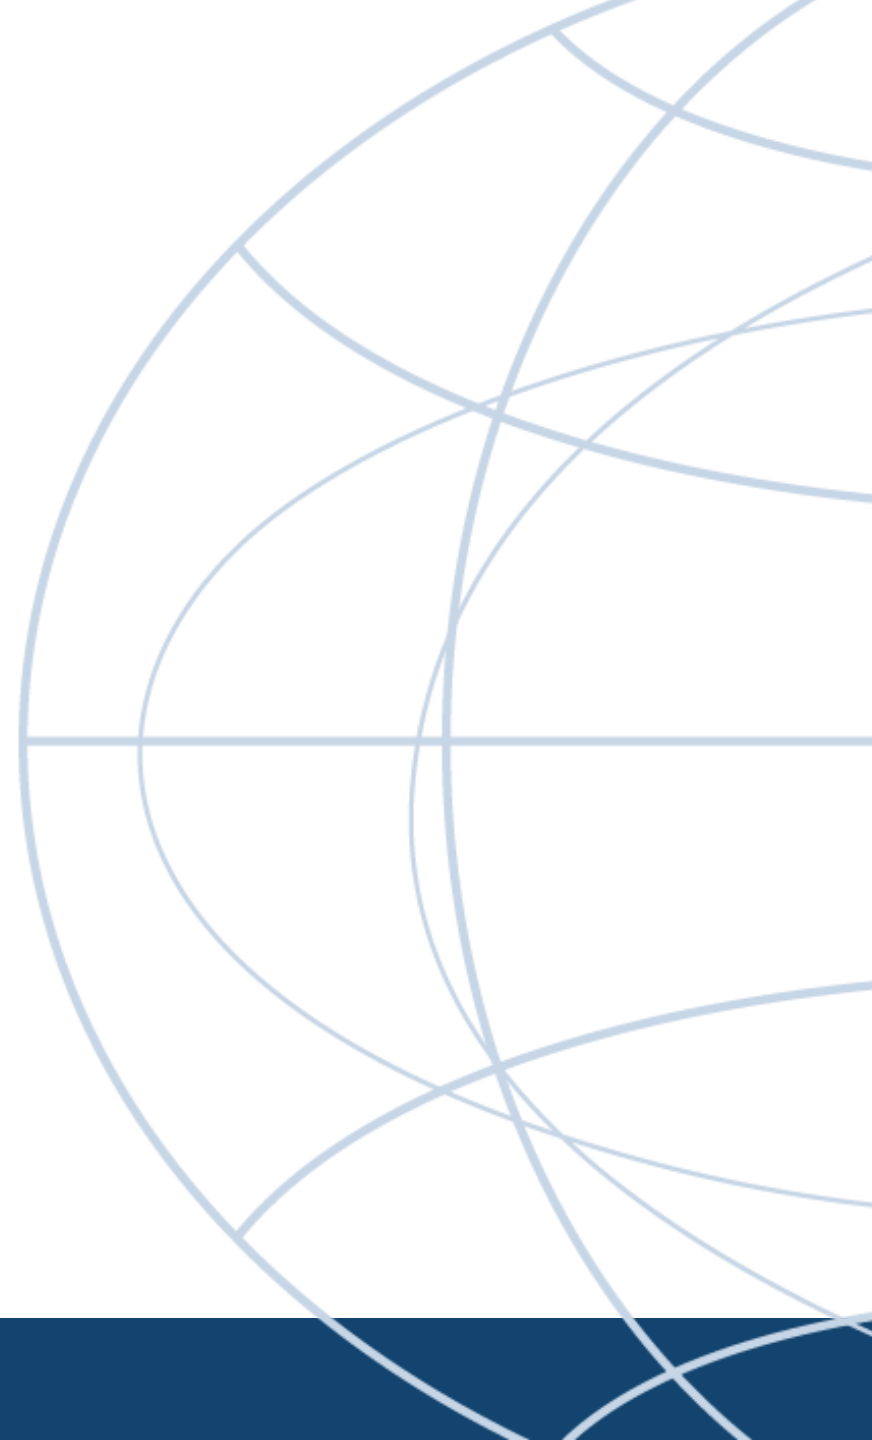

- Greater public confidence and trust in governments and the role of SAIs
- Value-for-money on delivery of public services
- Government programs and services that enhance equality and inclusion
- Improved transparency, accountability, and integrity of governments and public entities
- Less fraud and corruption in the public sector
- Healthier economies, greater financial stability
- Empowered citizens with timely access to accountability information
- Better management of public resources and environmental assets

# Priorities for drafting the plan

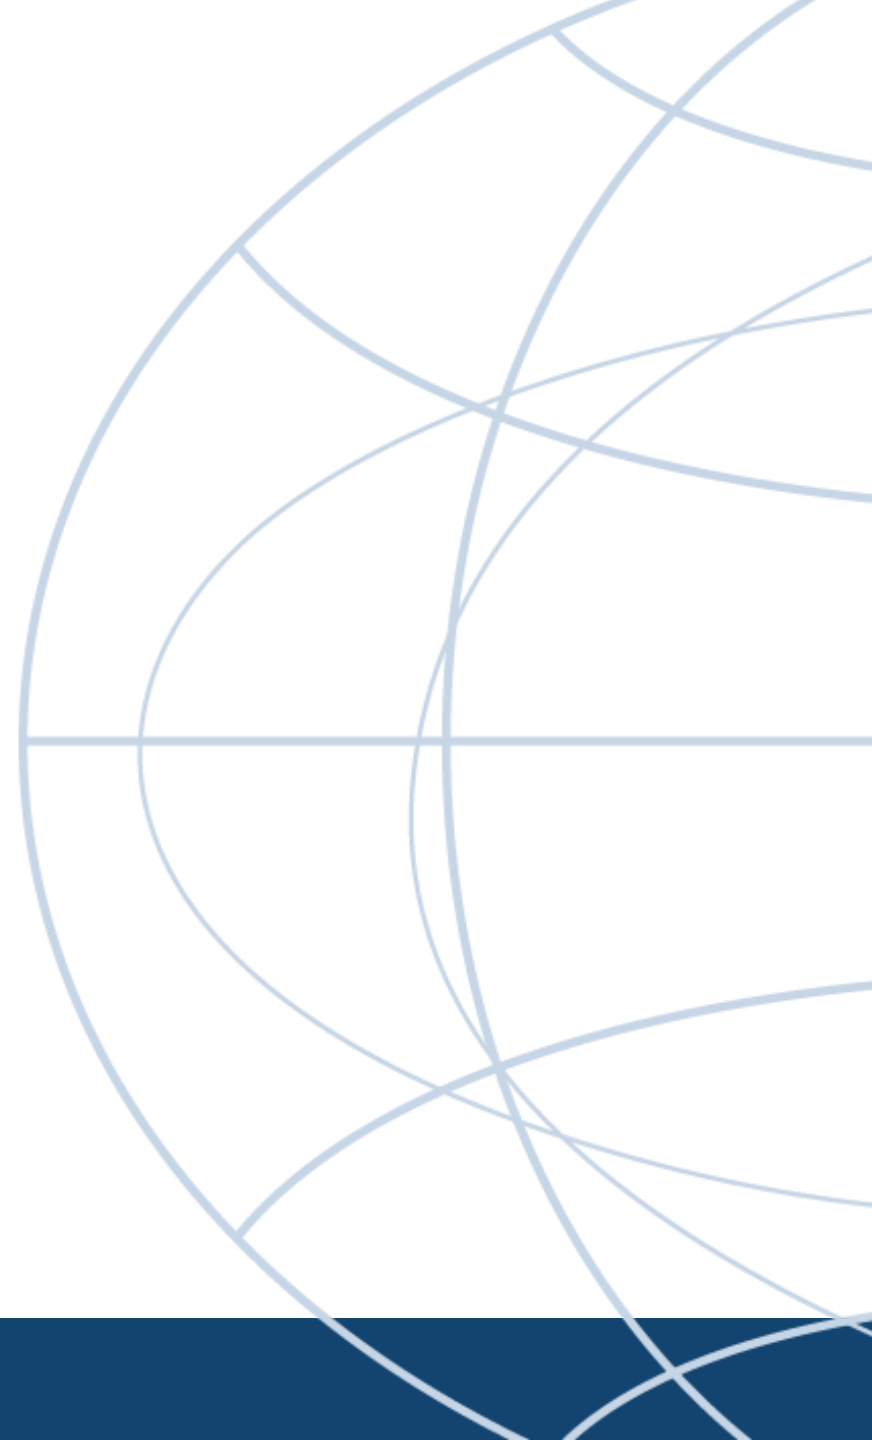

**Measuring results through progress indicators**

**Elevating INTOSAI's organizational priorities to guide the focus of INTOSAI's work**

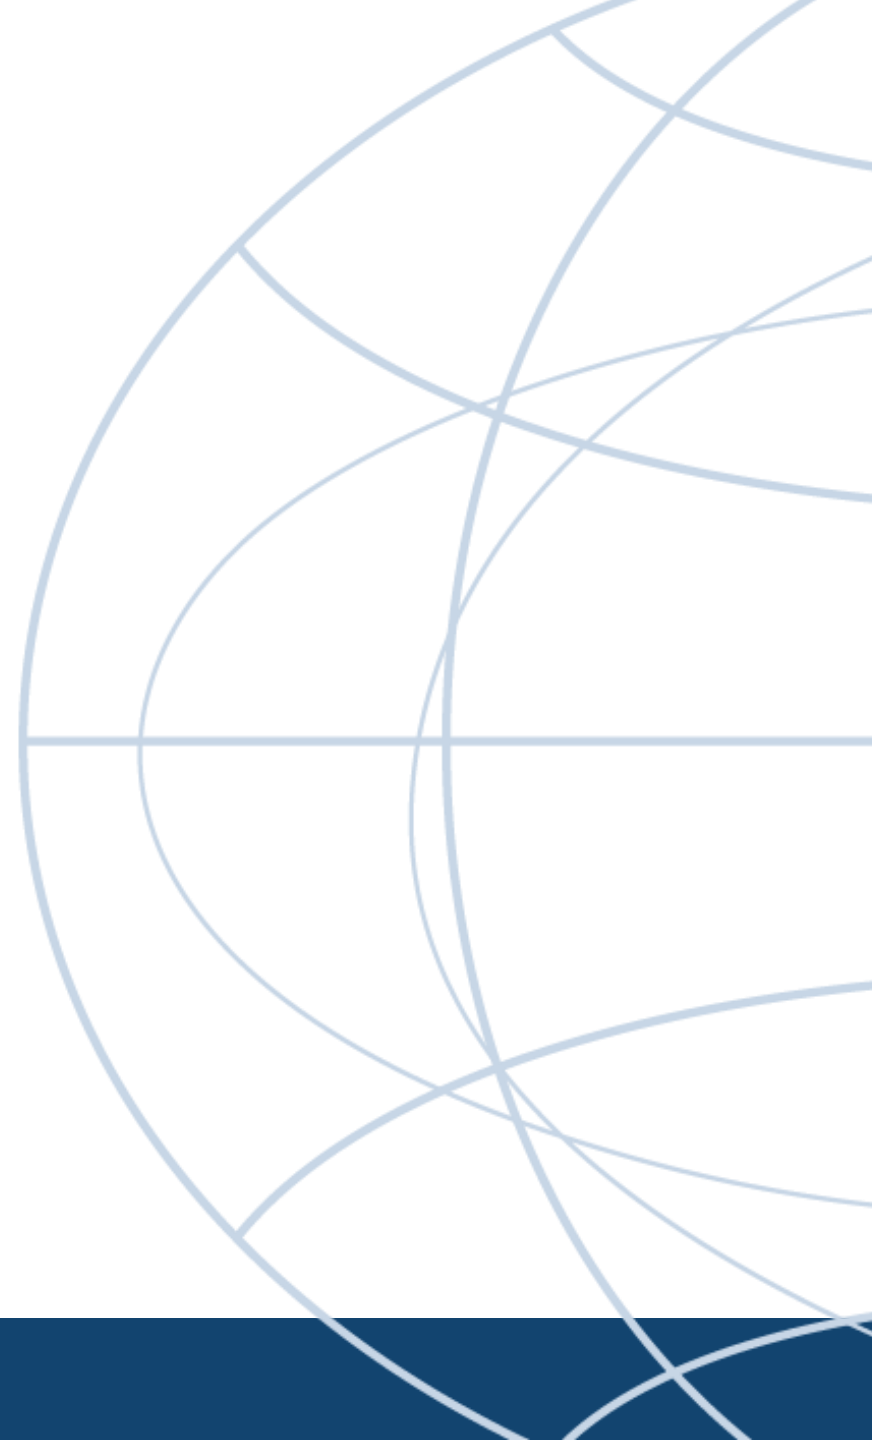

# Organizational priorities

- 1. Advocate for and support SAI independence**
- 2. Contribute to the achievement of the 2030 Agenda for Sustainable Development**

# Organizational priorities

- 3. Support the development of SAI resilience**
- 4. Promote and support equality and inclusiveness**
- 5. Enhance strategic partnerships**

# Way forward

- ❖ **Finalized clean exposure draft to be disseminated among the PFAC/TFSP members**
- ❖ **Submission to the SAI Brazil as Congress host, publication on the INTOSAI website**
- ❖ **Submission to the INTOSAI Governing Board for approval**
- ❖ **Endorsement by INCOSAI XXIV**
